Document Cover Sheet: Print this required **Document Cover Sheet** and place it on the top of all the documents you will be submitting.

1. Place each **photocopy** directly beneath each **original** document.
2. Place the documents in the order as listed above.
3. The documents must be out of envelopes, sleeves or folders.
4. Ensure you have referred to the listed website for further information on how to [Prepare for the Interview](#).
5. Translations must be provided for any document not written in English and certified by a competent translator. Place the English translation before the civil document of which it is translating.
6. Failure to provide a copy of a document will delay your interview. You will be directed to obtain copies and return for your interview.
7. For Families: Each applicant's documents must be separated individually.

- I understand that my visa expiry date will be limited to my Medical Exam Report.
- I understand that my visa cannot be issued after September 30 of this DV Program.
