

# Request for Quotations

---

The U.S. Consulate General, Melbourne is seeking proposals from suitably qualified vendors to provide the United States Consulate in Melbourne with an internet connection with the following requirements:

## **Scope of Works**

The ISP vendor is to provide the United States Consulate in Melbourne with an Internet connection with the following requirements:

1. Type of connection: Fiber including full installation to the Consulate communication rack
2. Speed: Minimum of 100/100 Mbps
3. Data limit: Unlimited data per month
4. Contention Ratio: 1:1
5. Service Level Agreement: Standard 99.95 availability and 24/7 technical support
6. ISP to provide a managed pre-configured router
7. Total of 14 usable fixed public IP addresses are required (Subnet of 16IP addresses)
8. No firewall or ports restrictions on the connection
9. Maximum subscription term is 12 months
10. Must not use TPG or iiNet infrastructure
11. Must comply with U.S. Government NDAA requirements
  - **Vendors must email for the forms to complete for NDAA compliance and return with your proposal to be considered.**

## **Service Address:**

U.S. Consulate General Melbourne  
Level 7 / 553 St. Kilda Road, Melbourne Vic 3004

We intend to award a purchase order for the required service without negotiation. Proposals should represent the contractor's best and final offer. (Please note that collusion with other potential offerors regarding price quotations would result in being precluded from doing business with the US Government.) The RFQ does not commit the U.S. Embassy to make any award. The Embassy may cancel this RFQ or any part of it.

All bidders must complete company registration and obtain a DUNS number via <https://sam.gov>.

Please email [MarleyBL@state.gov](mailto:MarleyBL@state.gov) to request the NDAA compliance documents that must be obtained to bid successfully.

Please return all bids to [MarleyBL@state.gov](mailto:MarleyBL@state.gov).
